

Canadian Merchant Test Cards

Our Canadian EMV test cards have been specifically created for the Canadian merchant market. Containing a range of scenarios, and available for all the major payment Brands, including INTERAC, they are suitable for testing POS and ATMs to ensure they accept and correctly process a selection of Payment Brand profiles.

Additionally, the cards can be used to complement staff induction programmes and in-store staff training.

The cards can purchased according to your requirements – from just one card to a complete set for each Payment Brand. We can even print your company branding on them.

Expiry Dates:

American Express	Dec 2024
